Battle Mountain Facts

We opened on March 1, 2020, just in time for the pandemic. We are both Military and Health Care owned. Battle Mountain is a gold mining themed brewery paying homage to the history one of the highest yielding gold mines in Colorado in the 1800's. Battle Mountain was a popular location for gold, silver, iron and zinc mining for nearly 100 years until it was shut down in 1984 due to toxic conditions. The mine site is in the town of Gilman, CO between Leadville and Vail off US-24.
